**Part A – Contractual Terms**

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the base prospectus dated 2 March 2026 which constitutes a base prospectus (the “**Base Prospectus**”) for the purposes of the Public Offers and Admission to Trading Regulations (the “**Public Offers and Admission to Trading Regulations**”).

These Final Terms (the “**Final Terms**”) constitute the final terms of the ETC Securities described herein for the purposes of the Public Offers and Admission to Trading Regulations and must be read in conjunction with such Base Prospectus. Full information on the Issuer and the offer of the ETC Securities is only available on the basis of the combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing on the website maintained on behalf of the Issuer at <https://kraneshares.eu/>, at the registered office of the Issuer and at the Specified Office of the Principal Paying Agent. A summary of the individual issue is annexed to these Final Terms.

**UK MiFIR product governance / Retail investors, professional investors and ECPs target market:**

Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the ETC Securities has led to the conclusion that: (i) the target market for the ETC Securities is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”) and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA (“**UK MiFIR**”); and (ii) all channels for distribution of the ETC Securities are appropriate. Any person subsequently offering, selling or recommending the ETC Securities (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the ETC Securities (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.
